"For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future."

Jeremiah 29:11

Years ago, when I accepted this work in Haiti, I never anticipated that it would become much more than a project. This work has become a huge part of my life, and has gone beyond just work...I have fallen in love.

"If I give all I possess to the poor and give over my body to hardship that I may boast, but do not have love, I gain nothing."

1 Corinthians 13:3

My wife and I love our kids in Haiti like our own. When we found out Jackson was having severe cardiac issues that are related to his Marfan's syndrome, we were crushed. Jackson's life is in danger. We are all praying that we can get him the help he needs, and that we all get to watch Jackson grow up. For now, Jackson is getting more tests. Those tests will be sent back to me in

the states and I will seek more professional advice from specialists here. If we decide to pursue a medical visa, it will likely require me to go to Haiti for a month and work on it each day. Please continue to pray.

Danoucheka

Our kids are growing big. Dada has talked about some possible psychiatric problems with 3 of our kids, so we are having a psychologist come in and evaluate all of them. We will then decide our actions.

The school at Dada's house is going great and we have 60 happy kids attending now. Each Monday they have chapel and worship and they thank God for their school. The government came and inspected the school and they were very pleased. They asked that we get the grounds smoothed out with concrete and to complete the bathroom facility, which still has no roof. Finishing the bathroom will cost almost \$1000.00 and the

concrete for the grounds will be another \$1000.00. We are trusting that this will be able to be completed soon.

All of you have been so generous and I really appreciate it. Dada is also grateful for your continued support and sends her love.

In His footprints,
Larry

Fundraising

Servants Gift is teaming up with The Apparent Project, www.apparentproject.or, to sell bracelets made by Haitians themselves. Part of the funds will go directly back to Servants Gift, while the remainder will be given to the families who are making the jewelry to help them provide for their families. The cost of these bracelets are \$8. We still have a few bracelets left so contact Larry Roberts at (309) 371-8937 or via email at larryroberts67@gmail.com to place your order.

Jephthe

We are so thankful for you all as you continually support the work God has put before us through Servants Gift. We believe strongly in the power of prayer. Please continue to join us in praying for our friends in Haiti as we seek God’s guidance in our next steps.

“And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the Lord’s people.”

Ephesians 6:18
