## A Note from Larry

**“Beware that you don’t look down on any of these little ones. For I tell you that in heaven their angels are always in the presence of my heavenly Father.” Matthew 18:10**

I was blessed to spend some time in Haiti with my wife back in May. It was a pleasure to introduce her to some friends that I have spent a great deal of time with since the earthquake but she had not had the opportunity to meet yet. We also were able to spend some time with our kids. Jean is great with the kids, ours who live with Dada and all she comes in contact with. I am very blessed and thank God for the gift He has given me in my wife.

The photos are of kids we have been lead to and have had the chance to change their lives. The baby on the bed, I can say with great confidence, would not be alive today without us following God’s leading. The kids that Jean is reading to are our kids. Their lives

forever changed due to a wonderful lady, Dada, and me listening to His leading. This child in the crib is in the central hospital in

Port-Au-Prince. Both of her parents are in the background kneeling by her bed and praying. We send kids to this hospital and they receive good care.

I need to thank so many people. Paul and Julie Cruzan, and Linda G. for medications and medical supplies. My cousin Curt Roberts and his wife for their great giving. And so very many more. But I must mention my wife. She works and takes care of things here while I am gone. I no longer have an income and she is fine with that. Love you Jean.

I am home until July 14th when my wife and I will take a VBS team to Haiti and serve. After the team goes home I will stay and do more medical work. Thank you so much for your prayers and support; lives are being changed. As a wonderful woman I know said, “we are growing grass”. The grass is the people coming to Jesus. Don’t spend too much time looking at the weeds. Thanks Dr Lynn. Blessings all. Talk to you in July!

# Child Spotlight

Jephte Girault, born April 13, 2002, celebrated his 8th birthday this year. He has been at Maison D'amour since he was one year old. Jephte is currently in the third grade and has a love for learning. This lovely boy has a talent for drawing and a desire to learn to speak English fluently. Jephte likes math and has a very analytical mind, often trying to understand the inner workings of things, such as broken toys. He likes the color yellow, and after school he enjoys playing basketball or with toy cars.

Jephte is a kind little boy who loves

the Lord. His favorite Bible verse is Jeremiah 29:11: "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." We look forward to seeing all that God has in store for this sweet little guy.
