## A Note from a Child Sponsor

For the past few years, we have had the privilege of sponsoring a child through Servants Gift. We consider it a privilege to be involved in doing something so simple that has the potential to make such a profound difference in a child's life.

Our little guy is able to go to school because of our sponsorship. He receives a food packet, vitamins, and assistance if he needs medical care. The likelihood of access to any of these things without sponsorship would be next to impossible.

But to us, the best part is the fact that he knows there is someone who loves him, cares about him, and is praying for him. Through occasional letters and coloring pages, he has been able to communicate to us how much he loves going to school. Above all else, his love of Jesus shines through. Would school have been part of his future without sponsorship? We don't know. Would he have come to know Jesus? We don't know. We do know that it wouldn't be worth the risk for even one child to not have that opportunity.

Whether or not you've ever considered sponsoring a child through Servants Gift, please think about the impact you could have. And the impact that child could have on you.

*Sponsoring a child is just \$40 per month. If you are interested in sponsoring a child, please contact Nancy Wadhams at [wadhamsfamily@gmail.com](mailto:wadhamsfamily@gmail.com).*
