A Note from Larry

Many times I am asked whether I am preparing to leave or just arriving home from a trip. People often want to know what I do on these trip. Sometimes I have an answer and sometimes I don't. This past trip I didn't know. In searching and reading the Word, God has given me an answer.

It is so very important to show His love at all times to our friends that God has put in our path. To stand next to them arm in arm and let them know that we are there for them, sent by Jesus to them. We need to remind them that they are truly loved more than they can imagine, and that no matter the situation, those of us who call ourselves followers of Christ, will be with them.

While praying for these wonderful people is important, we need to do more. We also need to be there in person, using the resources that God has entrusted to us. Giving them hugs and encouragement when the situation is good or bad. This builds trust and love. This is what Jesus was talking about when he said "Go and make disciples of all nations". All of us should go. I would love to introduce you to some of the most loving peo-

ple in the world. People that are waiting to be shown how to lift themselves out of the places that they are forced to live, allowing them to walk as they were intended by God.

Thank you all so much for your support. Without it I couldn't go and do the things God has called me to do. Much more needs to be done. So many more lives need to be reached. We must go out and impact the world for Christ. This is what I intend to do. Will you join me?

In Christ
Larry

"Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age."

Matthew 28:19-20

Child Spotlight

Kerlens Clermond, born August 16, 2006, came to Maison D'amour at the age of two and is currently in preschool. He is a smart little boy who loves to talk and sing, especially his favorite song "I've Got the Joy in my Heart".

Kerlens likes to watch his older brothers and wants to participate in everything they do, even if he's a bit too small yet for some of their activities. He likes to

"read" books to others by telling the story from the pictures and he enjoys playing with cars after school. We look forward to seeing the sweet boy Kerlens grows into.
