

Letters from Haiti

OCTOBER 2012

A Note from Larry

As many of you know, Haiti has been hit by the effects of Hurricane Sandy. The country received an estimated 20+ inches of rain and is now severely under water. That much rain is destructive no matter where you are, but when you add tent housing, dirt floors and impoverished living conditions, it takes on a whole new meaning.

We are praising God that Dada and the kids are all okay. However, the reports of markets being closed, difficulties finding food, and the bridge being down which allows them to get to Port-Au-Prince, reminds us that it is still not a good situation.

These are the times when I have to be honest and ask, "How much is enough?" When I think of those who are without shelter, the orphans without parents to console them; my heart breaks. But then I am reminded that we serve a God who is Sovereign. He is in control and He is over all things! I call on His promises and feel an amazing peace fill my heart.

"Be strong and courageous. Do not be afraid or terrified, for the LORD your God goes with you; he will never leave you nor forsake you." *Deuteronomy 31:6*

"And we know that in all things God works for the good of those who love him, who have been called according to his purpose." *Romans 8:28*

I think of our friends in Haiti and I pray that they feel these promises and hope right now.

Would you join us in praying for those who have been effected by this? Pray for God's provision and safety in the midst of tragedy. If you would like to give financially to help ease the suffering that so many are feeling right now, you can go to www.servantsgift.com and give online. Thank you for considering this and for coming along side the people of Haiti and lifting them up in prayer.

"Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me."

Matthew 25:40
